Features

10.1 inch (diag.), high-resolution, widescreen monitor:

Enjoy entertainment on the go with the Sony® BDP-SX1000 portable Blu-ray Disc™ player, featuring a 10.1 inch, high-resolution, widescreen LCD.

5-hour rechargeable battery:

With up to 5 hours of battery life, the Sony® BDP-SX1000 portable Blu-ray Disc™ player lets you watch two full-length movies before having to recharge.[1]

HDMI™ output:

Full HD 1080p video output provides high-resolution HD images so you can take full advantage of your HDTV and the detail of Blu-ray Disc™ video[3]

180-degree swivel and flip screen:

A convenient180-degree swivel, flip screen allows you to watch your Blu-ray Disc™ movies from almost any angle.

USB Port:

Allows for easy, convenient viewing of videos, photos and music listening from a USB device.[5]

Touch keys on bezel for easy operation:

Easy-to-access touch keys are conveniently located on the bezel surrounding the player's screen.

Multiple format disc playback:

View movies and photos and listen to music with multiple format playback.

2 headphone jacks:

Share your entertainment with friends and family with two headphone jacks.

Car adaptor included

Included car adaptor helps make sure your Blu-ray Disc™ player is always ready to go no matter how long the road trip.

A/V input and output:

Plug the BDP-SX1000 into your TV using the A/V output, and included A/V cable.
